In July, Miss Kim and will do some art projects with a red, white, and blue theme with her children for the 4<sup>th</sup> of July. She will continue working on numbers with her children. They will do a unit on the farm and go to the farm, go on a picnic, and have some more fun with water play outside.

Miss Debbie will make 4<sup>th</sup> of July headbands and do other red, white, and blue activities with the children. They also look forward to some water play outside and they will do some sidewalk art. They will talk about zoo animals and hopefully go on a picnic.

During the month of July, Miss Kari and Miss Holly will be exploring with their children "Things that Go!!!" They will be wheel painting and creating a train too. For the 4<sup>th</sup>, they will count stars and make a star wreath.

Miss Angie and the Summer Program kids will get out into the sprinklers, take a few field trips and write a play. Our themes this month range from "Under the Sea" to the "Jungle Journey" for Vacation Bible School.
