CLASSROOM HAPPENINGS

During the month of August, Miss Kim, Miss Lynn and Miss Gina will finish their unit on numbers. They will be doing a unit on insect, and then talk about oceans. They will be going on a field trip to see the movie Smurfs, and also will go on a picnic and the wading pool. They will also have an "end of the year" field trip as they say good-bye to friends who will be going to other schools.

Miss Maria and Miss Debbie will be doing a

DOLPHIN

unit on ocean animals, and they will make an ocean treat. They will also have more water play outside and take walks to the park. They will have an end of the summer ice cream party.

Mr. David will continue to take his children for open swim 2-3 times per week until the pool closes for the season. They will also continue going to

the library. The field trips they have planned are a trip to the local bowling alley and a few more trips downtown for the activities at the PAC. They will concentrate on healthy eating the first week of the month. The third week they will observe the 50th day of the summer program and have several celebrations that week. They will hopefully go to Cool Waters and they will celebrate the end of summer with a "Sundae Party" at the Cudahy Homburger Jnt.

CONGRATULATIONS

We would like to congratulate the McDonald family on the birth of their little boy Cole. He was 7lbs. 15 oz. and 20.75 inches long. We're sure Levi is excited to be a big brother.

To Mr. David on his 1st anniversary of coming to work for us for the summer. Also, Miss Debble celebrates her anniversary of 33 years at the day care.

Special recognition for Miss Lynn who celebrates 45 years at the day care this month. We thank God for her dedication.

A big thank you to all of the families who either gave donations of sunscreen or gave money to help purchase sunscreen. It probably doesn't seem like much,

but it really does help! The following families gave donations:

- Bobrowicz
- Dembowski
- Famularo
- Flores
- Lorge
- Lugo
- McDonald
- Mercado
- Pechauer

- Redmond
- Thein
- Warpechowski
- Widor

If we missed your name, please accept our apologies and since we still have some summer left, sunscreen is still needed.

REGISTRATION FEES

It's that time of year again when your annual registration fee should be paid. We request that payment be made by Friday, September 15th. The amount remains the same: \$25.00 for one

child and \$40.00 for a family with more than one child. If you paid a registration fee this year after June 1st, you do not need to pay it again. Anyone who hasn't

paid the registration fee by the stated deadline, will have their account automatically charged the following week. Thank you for your cooperation.

REFERRAL INCENTIVE

As we approach a new school year, we want to remind all of our families that we offer an incentive to anyone who refers a new family to the day care. When a new family enrolls their

child(ren) in the day care **and** after the child has attended for 4 weeks, you will be rewarded with one FREE week of child care for one child. We know that the best advertising

is done by the people who have their children here, so this is our way of saying THANKS!!

*Please consider writing a testimonial for a book we'd like to put together.
